Re: Request to Dismiss Charges
Dabron Davis DOB: 09/25/1999
Case No: 13J700072

The above youth was referred to Restorative Justice Louisville. We have contacted the mother of the victim, Ratawna Stewart, and she is agreeable to dismiss the charges against this young man. According to Ms. Stewart, she was provided the names of the young men involved in the assault of her son by the staff in the school where the incident occurred.

Dabron stated from our initial contacts with him that he was not involved in the assault. Ms. Stewart was willing to consider that he was not involved if the other young men involved confirmed it. When we met with the other young man, who was involved and acknowledged his involvement, he confirmed Dabron did not participate. When provided this information, Ms. Stewart stated she did not wish to proceed with our process or with the prosecution of Dabron. She understands that you may wish to talk with her to verify her wishes. She can be reached at 593-0306.

Please let me know if you require any further information.
