Dear Mr. Taylor,

We have been trying to reach you to schedule the initial meetings to begin our conference process. It is very important you contact me as soon as possible. If we do not hear from you soon, we will be forced to consider sending your case back to court for formal prosecution.

As you are aware, participation with the program is voluntary so, the potential victim(s) of the offense have been contacted as well. Their agreement to participate will also impact whether your case may move forward.

Please contact me at 574-5116. If I am not available when you call, please leave a message with your phone number and a time that is most convenient for me to return your call.

Again, thank you for agreeing to participate in our program.

Sincerely,

Maria Gurren
